Dear Potential 2025 Exhibitor,

On behalf of our Course Directors, Planning Committee, and the Continuing Medical Education Department, we invite you to host an exhibit at the *2025 Ascension Saint Thomas Comprehensive Cardiovascular Update* at the JW Marriott Nashville on Saturday, August 16, 2025. This year's conference will highlight Collaborative Care in Cardiology, featuring sessions on cardiovascular surgery, electrophysiology, structural cardiology, vascular cardiology, imaging, coronary interventions, heart failure, and women's heart health. This education is designed to support the needs of cardiovascular specialists, general cardiologists, nurse practitioners, physician assistants, and other healthcare professionals involved in the collaborative management of patients with cardiovascular disease. Our goal is to have one hundred (100) or more participants at the conference. There is space for approximately thirty-five (35) other industry representatives to host exhibits. Exhibit registrations will be honored on a first come, first serve basis. In compliance with the ACCME Standards of Integrity and Independence for Accredited Continuing Education, all exhibits will be hosted in a space separate from the education space.

Approximately seven (7) Platinum Exhibit spaces are available in the main lobby outside of the education space for \$6,000.00 each. Gold Exhibit spaces are available for approximately thirty (30) exhibitors in a separate area adjoining the lobby for \$3,000.00 each.

If you wish to host an exhibit, please complete the electronic Exhibitor Registration under the "Exhibitors Tab" at the following link: <https://ast.cloud-cme.com/2025comprehensivecardiovascularupdate>. This registration form will ask for your payment method as well. Please note, there is a 3% processing fee applied on the website for those who wish to pay via credit card. If you wish to pay via check, a member of the CME department will send an invoice with the appropriate amount upon receipt of the completed registration. Thank you for your consideration.

Sincerely,

Katlyn Mallicoat
