Dear Potential 2025 Sponsor,

On behalf of our Course Director, Associate Course Directors, Planning Committee, and the Continuing Medical Education Department, we invite you to host an exhibit at the inaugural *2025 Music City Women's Heart Symposium* to be held at Ascension Saint Thomas Hospital Midtown on Saturday, September 13, 2025. This symposium will focus on advancing cardiovascular care for women, and will feature leading experts discussing the unique challenges and innovations in women's heart health across all stages of life. This education is designed to support the needs of physicians, nurse practitioners, physicians assistants, and other healthcare professionals in the specialties of cardiology, cardiothoracic surgery, internal medicine, primary care, obstetrics and gynecology, maternal-fetal medicine, neurology, and emergency medicine who are involved in the care of women with or at risk for cardiovascular disease. Our goal is to have one hundred (100) or more participants registered for this conference. There are 20 sponsorship opportunities available, which will be honored on a first come, first serve registration basis. In compliance with the ACCME Standards of Integrity and Independence for Accredited Continuing Education, all exhibits will be hosted in a space separate from the education space.

There is 1 VIP Reception Presenting Sponsor (\$20,000) available, 3 Platinum Presenting Sponsors (\$10,000) available, 6 Gold Sponsors (\$6,000) available, and 10 Silver Sponsors (\$3,000) available.

If you wish to participate as a sponsor, please complete the electronic Exhibitor Registration under the "Exhibitors" tab at the following link: <https://ast.cloud-cme.com/2025womensheartsymposium>. There is further information on what is included for each sponsorship level on the website as well. The registration form will ask for your payment method. Please note, there is a 3% processing fee applied on the website for those who wish to pay via credit card. If you wish to pay via check, a member of the CME department will send an invoice with the appropriate amount upon receipt of the completed registration. Thank you for your consideration.

Sincerely,

Katlyn Mallicoat
