Nashville, TN 37205

Dear Potential 2026 Sponsor,

On behalf of our Course Director, Planning Committee, and the Continuing Medical Education Department, we invite you to host an exhibit at the inaugural 2026 Ascension Saint Thomas Multidisciplinary Lung Cancer Conference to be held at Ascension Saint Thomas Hospital Midtown on November 7, 2026. This symposium will focus on advancing the early detection, diagnosis, and treatment of lung cancer. Attendees will explore best practices in screening, innovations in robotic and minimally invasive techniques, and emerging therapies shaping the future of lung cancer care. This conference aims to strengthen collaboration and improve care for patients across every stage of their journey. This education is designed to support the needs of physicians, nurse practitioners, physician assistants, and other healthcare professionals in the specialties of oncology, pulmonology, radiology, and cardiothoracic medicine. Our goal is to have seventy-five (75) or more participants registered for this conference. There are 20 sponsorship opportunities available, which will be honored on a first come, first serve registration basis. In compliance with the ACCME Standards of Integrity and Independence for Accredited Continuing Education, all exhibits will be hosted in a space separate from the education space.

There are 3 Platinum Sponsors (\$10,000) available, 7 Gold Sponsors (\$6,000) available, and 10 Silver Sponsors (\$3,000) available.

If you wish to participate as a sponsor, please complete the electronic Exhibitor Registration under the "Exhibitors" tab at the following link: <https://ast.cloud-cme.com/2026lungcancerconference>. There is further information on what is included for each sponsorship level on the website as well. The registration form will ask for your payment method. Please note, there is a 3% processing fee applied on the website for those who wish to pay via credit card. If you wish to pay via check, a member of the CME department will send an invoice with the appropriate amount upon receipt of the completed registration. Thank you for your consideration.

Sincerely,

Heidi Petree
